OFFICE OF LEGISLATIVE COUNSEL

Friday - 29 October 1971

1. (Confidential - JGO) Received a call from J. Sourwine, Chief Counsel, Senate Internal Security Subcommittee, who asked for the names, 25X1

[REDACTED]
I told Sourwine I would relay his question and be back in touch with him.

2. (Unclassified - JGO) Received a call from Mr. W. Lee Gosnell, Office Manager to Representative Benjamin Blackburn (R., Ga.), inquiring for a constituent concerning purchase of modular construction units for use by NSA at Ft. Meade. I referred Mr. Gosnell to [REDACTED] NSA.

3. (Confidential - GLC) At the urging of [REDACTED], I conferred again with J. Sourwine, Chief Counsel, Senate Internal Security Subcommittee, in an effort to determine the timing on Senator Eastland's placing in the Congressional Record [REDACTED] Sourwine repeated that the letter was in Senator Eastland's hands and he expected the Senator to place it in the Record on Monday or Tuesday, but Sourwine emphasized again that he could not make a commitment for the Senator on this. [REDACTED]

[REDACTED]
[REDACTED] He said the appearance of the material in the Monday or Tuesday Record would be quite sufficient.

In response to his query earlier in the day, I advised Sourwine that the only information we had been able to develop on the "sugar cane group" concerned [REDACTED]

[REDACTED] Sourwine thanked me for this information and said he would appreciate a dossier on [REDACTED] if we had one and it could be made available to them.

4. (Confidential - GLC) Received a call from Rady Johnson, Assistant to the Secretary of Defense (Legislative Affairs), who said they had been discussing with Senator Stennis possible action on the Senate floor with respect to the Foreign Assistance Act which is to be voted on in the Senate today. Johnson said that Deputy Secretary of Defense Packard talked briefly with Senator Stennis yesterday.

DOD expects Senator Stennis to offer an amendment to delete all of Section 512 but they feel the Senator would have difficulty in obtaining the deletion of all of Section 513 on the Senate floor. DOD has talked to Roy Bullock, Staff Administrator, House Foreign Affairs Committee, who said he thought that Committee would be willing to knock out Section 513 when the bill goes to conference.
